Module 2

What to learn

CSS Box Model

CSS Flex Model

CSS Media Queries/CSS Grid Layout/

Practice Exercise

- ✓ https://www.w3schools.com/css/exercise.asp?filename=exercise_boxmodel1
- ✓ https://www.w3schools.com/css/exercise.asp?filename=exercise_boxmodel2
- ✓ https://www.w3schools.com/css/exercise.asp?filename=exercise_boxmodel3
- ✓ https://www.w3schools.com/css/exercise.asp?filename=exercise_boxmodel4
- ✓ Flexbox with three flex items –right to left direction
- ✓ Flexbox image gallery
- ✓ https://www.w3schools.com/css/tryit.asp?filename=trycss3_flexbox_image_gallery

Refer media query videos from the CSS Video Section.

You have one h1 and one paragraph in your page with blue color border. For all the media screen and query selector (maximum width 500px) it should be change to red color border.
